LOCAL NEWS

Miss Rosa Lewis, sweet young daughter of Mr. and Mrs. James P. Lewis of Georgetown is visiting relatives and friends here.

Aunt Martha Adams was over from Cowan visiting. It looks good to see these precious mothers around yet.

Joe Proffitt, an industrious Colson farmer was over and called to get a years subscription to the Eagle. Robert Potter, of Millstone also hailed a gentleman coming to town and sent a whole years subscription too. Things like this tell why we make the Eagle squeal so loud.

The State Highway from Ermine to Mayking has been ordered to be let to contract. See ad in this weeks Eagle.

Lost Mule--Strayed from my place on July 7 one red mare mule about 7 years old, weight about 700 lbs. white spot on back. Reward for return or information traced far as Cornettsville. S. H. Adington, Whitesburg.

It will be well to remember that next Saturday is the State primary. Somebody'll be coached and primed for a big race in November--maybe.

Mr. Mrs. John R. Adams of neaa London, Ky., are visiting their many friends and relatives here and in the country.

BIDS will be received at the office of the County Superintendent until August 5 for building an addition to the school in River district No. 12.

On second Saturday and Sunday in August memorial services will be conducted at the Webb graveyard at Mayking for Emory Webb, son of Mr. and Mrs. Charlie Webb. Elds. Bennett Adams, Hatler Mullins and others of the Regular Baptist church will attend. Invitation extended to everybody.

There was some big preaching at Pert Sunday and Sunday night the Court-room in the court house was crowded to overflowing when Elds. Crase and Joiner held services.

John Jones, prominent Hindman citizen, was here visiting his sister, Mrs. Reece Stewart and incidentally taking in the city. He says when he was last here Whitesburg was only a teething baby and now it is a sporting gent.

Lewis Harvie and some friends spent a few days at Crab Orchard Springs, Tenn.

B. E. Caudill requests one and all to meet him August 5 to clear off Sandlick graveyard. Come all who can and help him.

That gasoline and moonshine make a dangerous combination doth become more and more apparent.

O. W. Danner was up Sunday from Chavies.

At Jenkins in an Automobile wreck Sunday the report is that a woman was killed and two others perhaps fatally injured. We failed to get names or details.

Last Sunday Ransom T. Holbrook, a young married man of Mayking, while intoxicated and in spite of efforts of his friends dashed over the way in his automobile and in a little while was hurled over a high, rough embankment crushed senseless and bleeding. He remains in a dangerous condition with chances against his recovery.

Lester and Edgar Bentley, Tom Turner, Kenton Fairchild Beny Banks, Earl Day and others are taking citizens military training at Camp Knox.

Rev. and Mrs. Sam C. Tyree, of London, arrived for a several weeks visit with relatives and friends here.

Reese Stewart is planning on putting in waterworks on the property lately purchased from Eben Cook. The town certainly does stand badly in need of this being done.

Have you secured a tag with which to decorate old Ring? On the back page of the Eagle is a list of those who have not. Read over the list and see if your name is on it.

Judge Lewis is here from Frankfort and Felix Fields was up from Lexington.

Robert Polly was down from Bilvia and took a year's treatment of Eagle screams. There is a little room left for other who might want to sail with us.

People who come to town from all sections of the county tell us

that prospects are good for corn crops and that barring misfortunes the public is in good shape to live independent for at least the next ten months.

There never was a time when the necessity for healthful conditions did not exist in the mountains, but with a big inflow of population and changed conditions generally now the demand has greatly increased till it has become almost a necessity that someone be secured to look after those in need. That Letcher county should secure and maintain a resident nurse who knows the business is of the utmost importance. That much suffering can be allayed and lives saved is a fact, besides much danger could be avoided on account of the spread of diseases. The Commonwealth of Kentucky stands back of the proposition to do its part in the securing and employing of a professional nurse and our citizens should be anxious to do the other part. Let the county authorities and citizens get together, talk over the matter and take the proper steps to employ a nurse. Almost every other county in the mountains has already made such provisions. Letcher must not lag one step behind.

Personally we extend our deepest sympathy to Judge Baker on account of the loss of his son. May the light of divinity--a divinity that doeth all things well shine thro' the deep clouds.

To serve the public and in an humble way benefit it is now and has always been the paramount ambition of the Eagle. To please edify and enlighten its readers follows this and satisfy its friends and customers is another thing it takes pride in trying to do. Your co-operation, dear readers is a valuable asset in doing all the above.

There will be an exhibit of the paintings made by Mrs. John M. Bentley's art class, including local views painted by Mrs. Bentley, at the Ira Fields office building Aug. 14. It is free and the public is invited. At the same place and on the same day the ladies of the Eastern Star will serve sandwiches and ice cream to the public at reasonable prices.

County Assessments Must be In by Oct. 31

We are making a house to house canvass thru each magisterial district. When the head of a household is found not at home a notice is left at his residence requesting him to come to the office in Whitesburg and give in his assessment. Such notice constitutes the legal obligation of the Tax Commissioner, and all persons who have not turned in their assessments by Oct. 31 on which date the books will close, will be reported to the County Clerk for assessment and collection of extra costs. A taxpayer who fails to give in his assessment within the required time, from July 1 to Oct. 31, is subject to a fine not to exceed \$100 and costs (Sec. 4061 Ky. Stat.) Tax Commissioner's office in Court House will be open daily until Oct. 31, 1922. John M. Adams, Tax Com. Letcher Co.

Letcher Man Killed

Millard Baker, Former Well Known Citizen, Killed in Louisville

A chilly sensation spread rapidly over the town Friday when a telegram from Louisville announced the killing of Millard Baker, son of Judge S. E. Baker, of our town. Details of the affair and how the young man lost his life were at first lacking except the statement that he had been killed by Prohibition officers. Later, however, the Louisville papers were full of descriptions of the incident.

It seems that young Baker was heading a bunch of men driving a large truck bent on taking a large quantity of whiskey from a government warehouse in that city. After the truck had been loaded it was intercepted by Prohibition officers, led by U. G. McFarland, and soon shooting began. However, it appears almost certain that no shots were fired at the officers from the truck. Baker was instantly killed and another man severely wounded. A third man made good his escape but was afterward arrested. From descriptions it seems to have been a well set trap by government officials to arrest the men after they had secured the whiskey.

Millard Baker was the youngest son of Judge Baker and was reared here from his youth. He belonged to our very best families and was well connected throughout the county. Some five years ago after finishing his education in some of the best schools in the State he went into the military service of the government and in the late war made quite a record for valiant service. While located in Louisville he went from one good position to another till he became well known throughout the city. Resigning his connection with the city government he started a business of his own. Some years ago he married a prominent young lady of Jeffersonville, Ind. and at the time of his death had two small children. In the bereavement of Mrs. Baker, the now feeble father, mother, the brothers and all relatives and friends we join. May the smiles of a better and brighter day dawn.

POLITICAL ANNOUNCEMENTS

We are authorized to announce F. Tom Hatcher, of Pikeville, a candidate for the Democratic nomination for Congress from the Tenth district subject to the Aug. 1922 primary.

The Eagle is authorized to announce K. L. Varney, of Pikeville, a candidate for the Democratic nomination for Congress from the Tenth district subject to Aug. 1922 primary.

State of Kentucky

OFFICE OF

Auditor of Public Accounts

FRANKFORT, KY., JULY 25, 1922.

To the County Clerk of Letcher County, Ky.,

Sir:--The total taxable property of Letcher county for the year 1922, as shown by the assessments returned to this office, is as follows;

Property, other than live stock \$12,698,655
Live stock 196,649

Total Assessed Value, \$12,895,304

State Tax, on prop. of live stock at 40c \$50,794.62

State Tax; live stock at 10c 196.65

Total, \$50,991.27

The Sheriff of Letcher county is charged upon the records of this office with the above sums which it is his duty to collect and pay over to the State as speedily as possible.

THE AUDITOR.

It will be seen by the above statement that the taxpayers of Letcher county, exclusive of future exonerations, will pay in taxes to the State the sum of \$50,991.27. The taxpayers, exclusive of the above sum, will pay for county purposes approximately the sum of \$96,715.00, or a total for State and county purposes, exclusive of polls and schools, the sum of \$147,508.00. The total school taxes in the county will approximate \$50,000.00. This makes a grand total of taxes to be met which upon thought is quite astounding, and yet in some way must be met by our citizens.

Health and Welfare

There will be a meeting of the citizens at the Courthouse next Tuesday at 1 o'clock p. m. for the purpose of organizing a local health and welfare league. Dr. J. S. Lock of the State Board of Health will deliver an address. One of the objects of the meeting is the taking of step for the regular employment of a public health nurse for Letcher county. All interested in the good of the county are requested to attend.

A Word

Seeing and knowing of the break-neck speed resorted to by some drivers and the inexperience of others who run machines the news as detailed in the Eagle this week comes to us with no surprise. Just last week we deplored the fact that death and destruction was lurking right ahead of the drivers of cars and especially those prone to be careless. Whoever drives a car while under the influence of whiskey is certainly subject to the heaviest kind of penalties. And again, is it not a fact that auto license are issued to anyone who wants to get to a steering wheel? To take one's own life into one's own hands is a right we are not attempting to discuss, but when the lives and rights of others are at stake it is another proposition. Does the law provide for no qualifications for chauffeurs and do they not have to pass examinations before licenses are issued to them? For the very best of all our citizens we merely hint at the above propositions.

A LETTER

Dear Eagle and Little Ones,
Here's your \$1.50 so let the noble bird fly another year to my home at Colson where it can get plenty apples, plums, peaches, 'possums and 'taters to eat and if it gets sick it can get medicinal herbs, ginseng, goldenseal, saffras, and catnip for the babies.

The railroad strike has already crippled conditions in this section is a sad fact. If it continues these will continue to grow worse. We hope however that ere this is read by you some kind of a settlement will have been made. Like any vexatious disease an ounce of cure for strikes is worth many tons of course.

When you go to the primary it is your duty to vote for the very best material before you—that is, throw out your line and hope for the best. F. Tom Hatcher

To the Voters of the 10th Congressional District:

The time between now and the August primary is so short that it is necessary for me to submit my candidacy for the Democratic nomination as a member of Congress in this manner.

I have always been a consistent Democrat, giving the party my whole-hearted support, both in time and money. I have had experience with legislature bodies and am personally acquainted with each Democratic member of the Kentucky delegation in Congress, which fact would be of material help in obtaining desired legislation.

If nominated, I promise you a

most aggressive campaign, with the firm belief that I will be elected in November.

Your active support is respectfully solicited.

Why Suffer?

Cardui "Did Wonders for Me," Declares This Lady.

"I suffered for a long time with womanly weakness," says Mrs. J. R. Simpson, of 57 Spruce St., Asheville, N. C. "I finally got to the place where it was an effort for me to go. I would have bearing-down pains in my side and back—especially severe across my back, and down in my side there was a great deal of soreness. I was nervous and easily upset."

TAKE

CARDUI

The Woman's Tonic

"I heard of Cardui and decided to use it," continues Mrs. Simpson. "I saw shortly it was benefiting me, so I kept it up and it did wonders for me. And since then I have been glad to praise Cardui. It is the best woman's tonic made." Weak women need a tonic. Thousands and thousands, like Mrs. Simpson, have found Cardui of benefit to them. Try Cardui for your trouble.
